Fresh herb dressing

INGREDIENTS

- 2 Tbsp olive oil
- 2 Tbsp lemon juice
- 1 tsp oregano
- 4 leaves each basil and mint, chopped fine
- Salt and pepper to taste

PREPARATION

- 1 Mix up with a fork and use on EVERYTHING! The mint makes it taste so refreshing!
- 2 For lunch today I had it on a simple salad of spinach, yellow bell pepper, cucumber and feta. SO delish and satisfying. Plus homemade dressing means no added sugars, fillers, starches and preservatives, (often found in the bottled versions). Put THIS ONE in a bottle and you're all set.
- 3 Alllll that flavor! YUM! Let me know what you think and tag me in your creations!
